

# CASUAL MARKET ATLANTA

It was great to be back at the Casual Market, especially to participate in the inaugural event in Atlanta.

We were thrilled by the enthusiastic response we received to our unique Double Tier and patented Flight umbrellas. The accessories and options such as scalloped valances and LED light kits were also a hit. Our Zuma Collection of chairs, chaises, ottomans and side tables was a show stopper for many attendees.

This show was a fantastic opportunity to reconnect in person with our existing brick & mortar retailers and ecommerce customers. We're looking forward to forging relationships with new retail partners too.

Thanks to all the retailers who stopped by our booth to learn more about how FiberBuilt can enhance your floor or site offerings.
