

WORLD CONFERENCE
& CLUB BUSINESS EXPO
MARCH 4-8 · LAS VEGAS, NV

Welcome

The CMAA Business Expo in Las Vegas gathered Club Managers from all around the country. We were very pleased that the umbrellas in our booth interested many of the attendees.

They were attracted not only by our new umbrella models but also by the customizable canopies, replacement cushion capabilities and furniture.

We look forward to working with many clubs as they refurbish their outdoor dining, pool and activity areas.

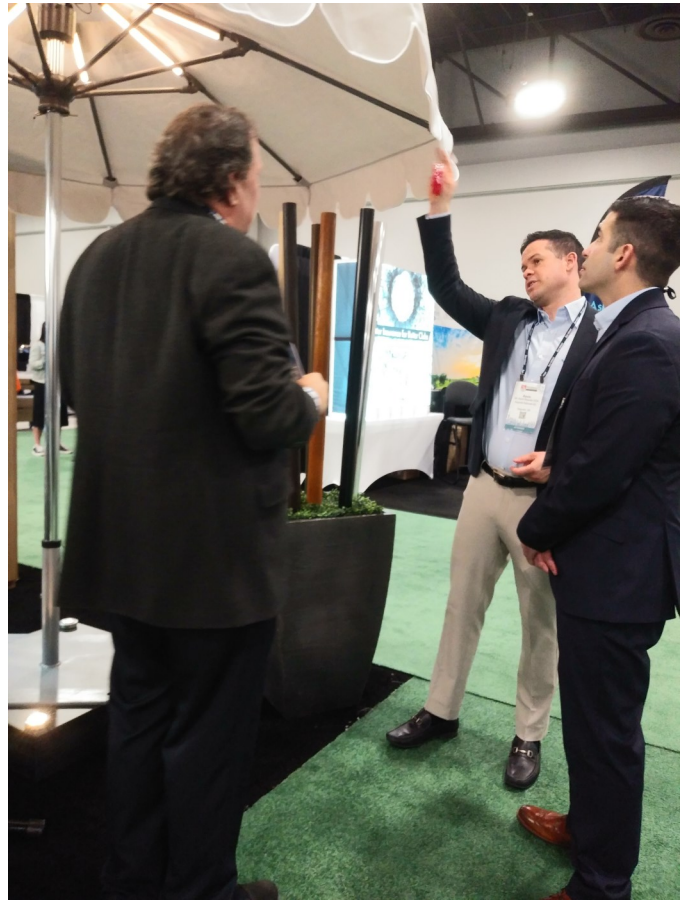

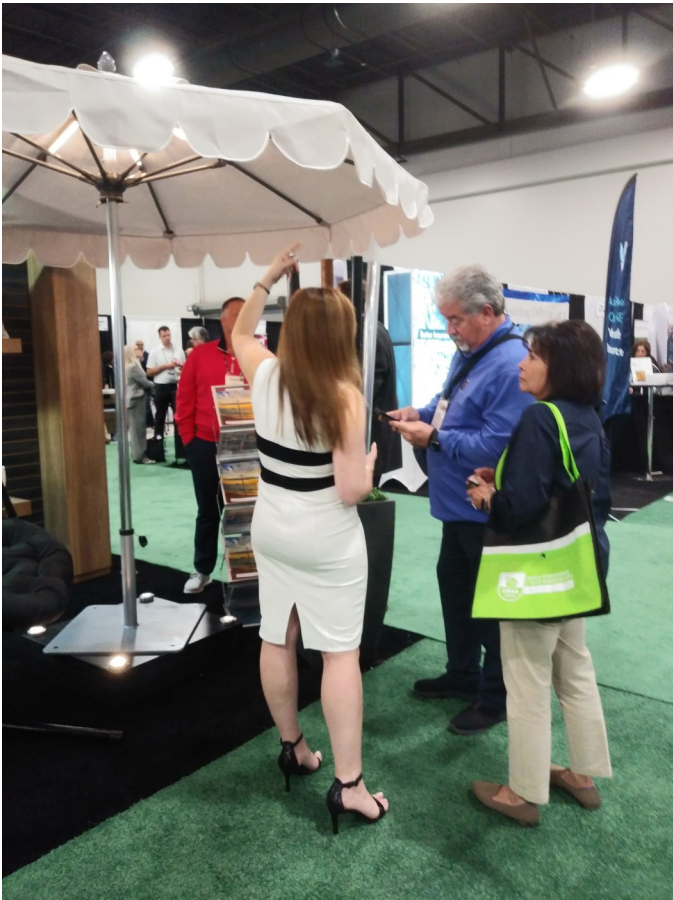

Rep Jonathan Sharpe points out the features of the new Courtside Umbrella including the half canopy and optional 20" textilene valance that easily zips on and can be rolled up and secured in Velcro straps when not in use.

Perfect for providing shade over a bench or chairs on the side of a pickleball court!

See you next year in Tampa!
