## OCEANA

### PRESTIGE COLLECTION

These large Prestige Collection umbrellas feature a 2.5" diameter, one piece pole with a .125 aluminum wall thickness and come in four powder coated finish colors. For freestanding use only, they provide significant shade coverage with canopy sizes up to 13' octagon or 10' square. Optional double vent or Aruba canopies are excellent for locations that experience high winds.

- Fiberglass ribs with molded nylon joints, hubs and end tips.
- Pole finishes are powder coated. Other finish colors are available for large orders. Consult factory.
- All rib, finial and hub colors coordinate with the finish color selected for the pole.
- Single sewn-in vent and storage ties are standard on most sizes. 13' Oct and 10' Sq come with Double sewn-in vents and storage ties.
- Custom top options include the Aruba extra large vent, double vent, valance, alternating panels, trim, banding and logos. See pages 33-35.
- Standard tops are made of marine or furniture grade, solution dyed acrylic. See fabric elections on pages 45-51. Tops are also available in COM.
- Pulley & Pin lift is available in place of Push Up & Pin. When ordering change the end of the model number from PU to PP.
