

**NEWH**

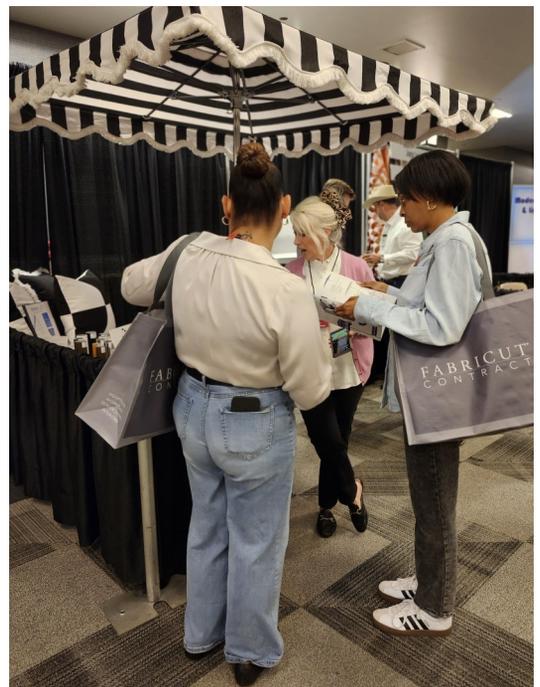

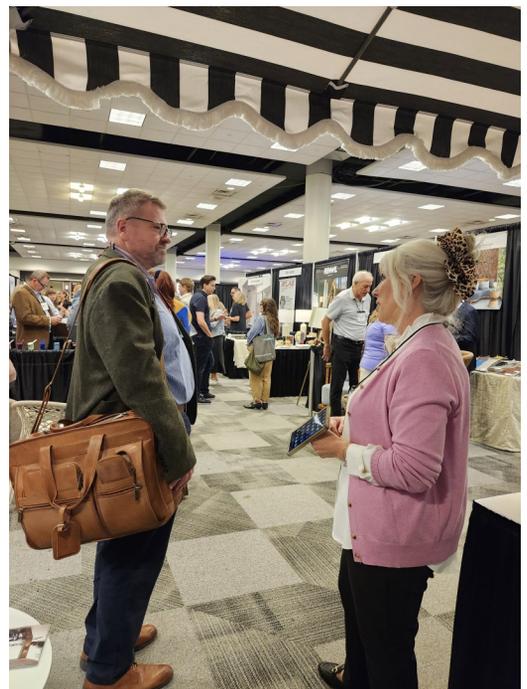

REGIONAL

TRADESHOW

DALLAS

This year's NEWH Regional Show in Dallas was a tremendous success. The attendance level was top drawer in both quantity and quality. We were so pleased to be able to spend time with designers and purchasing agents from so many well-respected firms. We loved sharing information about FiberBuilt's newest products with veterans and design students just entering this exciting industry.

We thank our wonderful Texas reps Jonathan and Michael Sharpe of Tri-Sharpe Sourcing for all their help. And as so many have in recent weeks, we bid a fond farewell to Paul Bienkowski, one of the great mentors and grand ambassadors of our industry. We wish you all the best in this next chapter of your life.
