

Southern Innkeepers Association's 116th Annual Conference

FiberBuilt was honored to again be a sponsor at the Southern Innkeepers Association's 116th Annual Conference at the Hotel Bennett in historic Charleston, SC, on June 16 – 18, 2024.

Horst Schulze, founder and former COO of The Ritz-Carlton Hotel Company was the inspirational and informative keynote speaker.

We were pleased to sponsor the host property's Employee Awards. Everyone on the hardworking, professional and gracious staff are worthy of awards for the manner in which all the Hotel Bennett's guests are treated.

FiberBuilt is grateful to the members of Southern Innkeepers for their business.
