

IGNITE TPG HOTELS & RESORTS

Leadership Conference 2024
was an amazing three day event
held at the Wyndham Lake Buena Vista.

Jay Leonard, General Manager of Wyndham Lake Buena Vista, Mike Marshall, CEO of TPG, and Ben Perelmuter, President and COO of TPG

FiberBuilt was proud to be one of the sponsors of TPG's Leadership Conference which brought together General Managers from properties within the TPG portfolio to connect, inspire, network and celebrate. We were thrilled to have our umbrellas and cushions on display at Wyndham Lake Buena Vista. It provided the attendees with an up close and personal view of our wind resistant umbrellas and comfortable custom cushions while enjoying the beautiful surroundings.
